

All families must complete this form and return it to Racine Lutheran High School.

Racine Lutheran High School is gathering the following information to fulfill our data reporting as required by the Department of Public Instruction. The State of Wisconsin seeks to identify the percentage of economically disadvantaged students enrolled at each high school.

An economically disadvantaged student is a student who is a member of a household that meets the income eligibility guidelines for free or reduced-price meals under the National School Lunch Program (NSLP). Although we do not participate in the NSLP, we are responsible for gathering the data. The results determine potential grants our school may receive. The data is used for no other purpose.
