GREETINGS!

During the holy season of Lent, we are reminded that God created man from the dust of the earth, and one day we will return to dust. The ash cross placed on our foreheads represents the repentance of sin, as well as a remembrance of being marked with the cross of Christ, having our sins washed away by His blood in the waters of holy baptism.

The renewal found at this time of year involves dust, ashes, and now dirt. I am proud to report that Racine Lutheran High School officially broke ground on its \$8.2 million building and expansion project on March 7. To God be the glory!

Don Riegelman '57 joined the festivities. He put his shovel in the ground, just as his father, Bill, did when the school began building at this site in 1947. The long-standing commitment of their family – and so many of our supporters – is the foundation of Lutheran education here in Racine.

Today, I invite each of you to build with us to benefit our current and future students. Build faith; build dreams; build this incredible academic and athletic facility. God has given each of us a shovel. Prayerfully consider how you will use yours to glorify Him and help our school.

Keep reading this issue of the Crusader Connection for exciting details and take a moment to visit our website for more information. My door is open if you would like to meet – but don't forget to wear your hard hat!

Wonderful things are happening at Racine Lutheran High School!
Thank you for being part of our school.

SPEAKERS AND PARTNERS

Our students' learning opportunities are often enhanced by the knowledge guest speakers share with them. Recent presenters include Cori Beaudet from Abbott Talent Deployment, Dan and Sarah Farrey from Custom Crete Werks, Dr. William Perrine from Concordia University Ann Arbor, and Kari Deberg from Racine Heritage Museum.

LUTHERAN SCHOOLS WEEK

The blessing of attending a Lutheran school was celebrated through competitions, treats, and dress-up days.

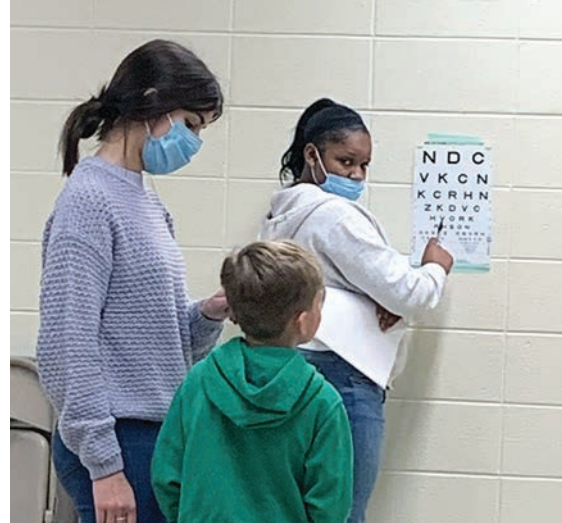

IT WENT RIGHT

RLHS theatre fans recently visited The Broadway Playhouse in Chicago to see "The Play that Goes Wrong." The group of students and faculty members enjoyed dinner and a show in the Windy City.

STUDENTS OF THE WEEK

Each week, our teachers nominate students who were seen displaying the love they have been shown by our Savior to the community around them. The Student of the Week is recognized during Chapel. Several of this year's recipients are pictured here.

VISION SCREENING

Members of the National Honor Society partnered with Prevent Blindness Wisconsin to help conduct vision screenings for young children. NHS members are pictured while serving students at Concordia Lutheran School.

JANSEN SIGNS WITH CMU

Senior Camdin Jansen signed his National Letter of Intent to play for the Central Michigan University baseball team. The Division 1 Chippewas are part of the Mid-American Conference. In addition to being an accomplished athlete, Jansen is a strong student, with a cumulative GPA of 3.473. Other student-athletes' college signings will take place in May.

SPRING TOUR

RLHS musicians experienced a whirlwind Spring Tour. They performed at two Lutheran churches and Concordia University Chicago. Add in the downtown sightseeing and dinner at Lou Malnati's Pizzeria, and you have lifelong memories.

SECTIONAL RUNNER-UP

The Lady Crusaders basketball team made it to the sectional finals after winning the regional championship. To date, this is the program's best finish while part of WIAA. Congratulations!

NATIONAL MERIT SCHOLARSHIP FINALIST

Senior John Hansen advanced to the finalist round of the National Merit Scholarship competition. He was recognized by Mr. Burgess at an all-school Chapel.

CAD CREATIONS

Students in the Computer Aided Drafting II class showed off some of the items they created on the school's 3D printers.

GRAND GALA GREETERS

RLHS students dressed in their best attire and helped make the 2022 Grand Gala on Feb. 12 an enjoyable and successful event for all who attended.

Congratulations to our high-achieving athletes! Junior Ellie Jaramillo broke the single-season 3-point record, and freshman Julia Kellner broke the single-season rebound record from 1991.

RACINE LUTHERAN HIGH SCHOOL

CELEBRATING OUR PAST, SECURING OUR FUTURE

Racine Lutheran High School's \$8.2 million comprehensive building expansion project will make a significant difference for the school and the community. More families from Racine and the surrounding area will be able to secure enrollment in the school that offers excellence in academics, athletics, and the arts.

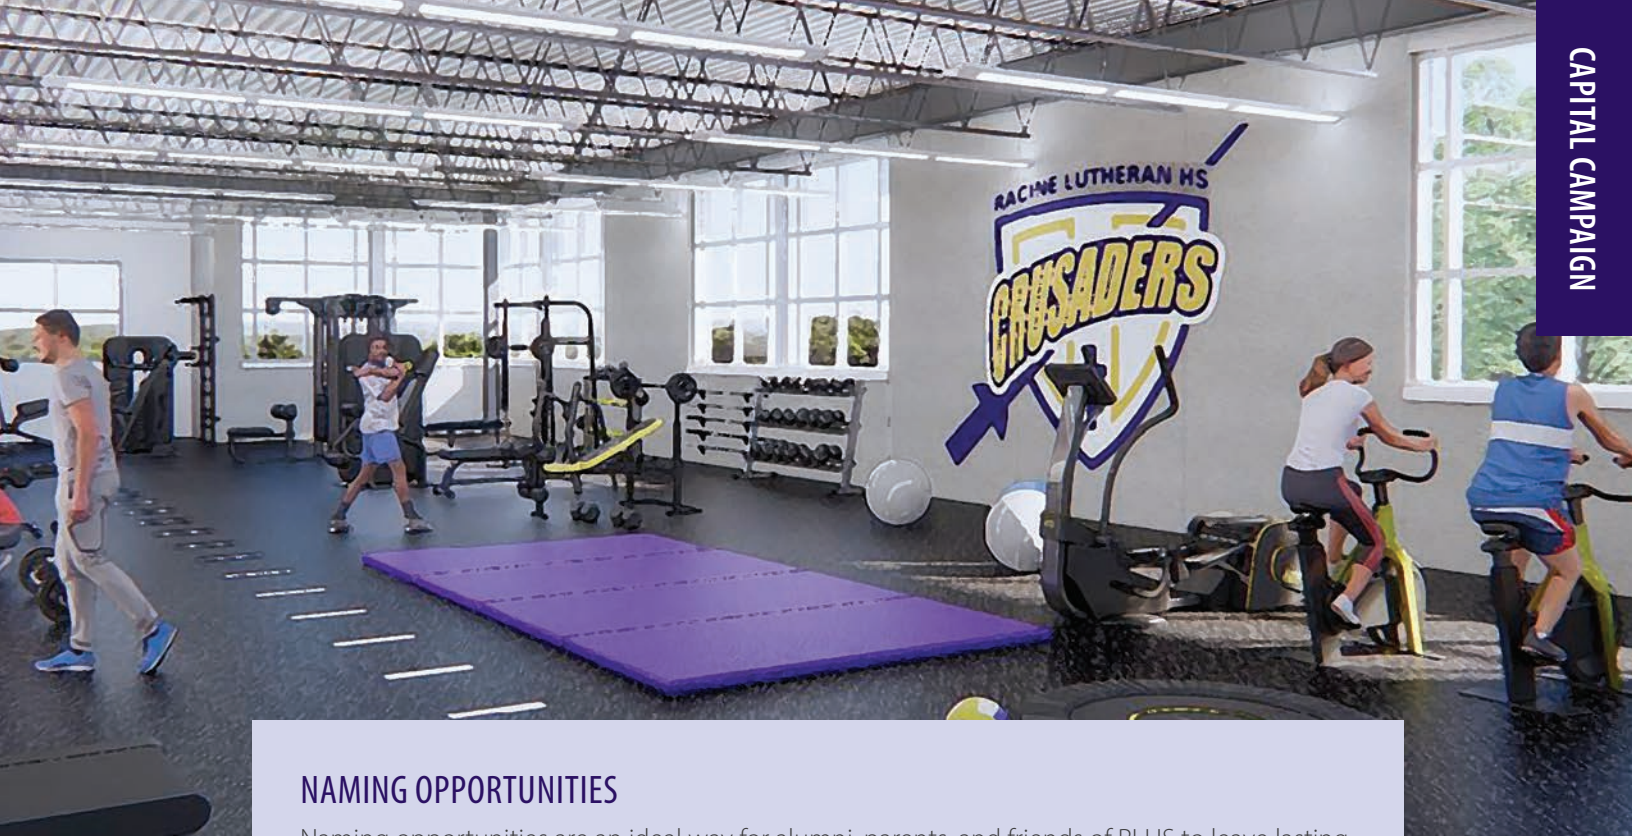

The increased demand for private school education, coupled with the needs of the current facility, resulted in the pending renovation and expansion of the building.

New instruction spaces, including added classrooms and an academic resource center, will provide more flexible instruction capabilities and options for students and staff. A new gymnasium addition replaces the existing 1950 vintage gym space. It will include additional accessible seating with up-to-date court sizes and interior volume for competition requirements. A larger weight room and fitness facility will better accommodate modern training equipment needs and provide more user space options.

The finished product will accommodate enrollment growth and enhance RLHS's ability to provide a quality education in this competitive, demanding environment.

"We are providing some of the best educational opportunities available, and we are preparing for future students to benefit from the Christ-centered education offered at Racine Lutheran High School," stated Dave Burgess, executive director-principal. "We will soon be able to accommodate the demand for growth in enrollment, and we look forward to serving the next generation of students."

NAMING OPPORTUNITIES

Naming opportunities are an ideal way for alumni, parents, and friends of RLHS to leave lasting legacies, honor a loved one, or show their commitment to excellence in Christian education. At the same time, naming opportunities enable RLHS to recognize those donors who have made impactful gifts to the campaign. Choose your preferred area.

ASSET-BASED GIVING

Asset-based giving is a generous way to support the school without using cash. In most cases, it's as simple as assigning ownership to the school, and the monetary value of the gift typically exceeds what you might give as cash outright. Examples of asset-based giving include donating through life insurance, appreciated assets, deferred gifts, IRA charitable rollover, and bequests or planned giving. You – and the school – can benefit from your gift. Contact us to learn more.

GROUNDBREAKING

After months of arduous work and planning, RLHS ceremoniously broke ground on the expansion and renovation project on March 7.

The ceremony came with a good dose of fanfare. Members of the board of directors, association churches, Ladies Guild, and foundation grantors celebrated the momentous event.

Don Riegelman, a graduate from the class of 1957 and an honorary chairperson of the campaign, broke ground close to the spot his father, Bill Riegelman, put his shovel in the ground when the school was erected at the same site in 1947.

Following the ceremony, guests gathered for a reception, viewed the renderings, and enjoyed pre-renovation tours of the facility.

TOP-TIER FACILITIES

Zimmerman Architectural Studios developed a floor plan for additions and renovations. The design features more than 37,000 square feet of added space, plus more than 11,000 square feet of renovated, energy-efficient, and ADA-compliant space. Highlights include:

- New classrooms with updated technology
- Dedicated Resource and STEM classrooms
- Expanded cafeteria space
- New gymnasium – regulation-size courts and seating for 1,000
- New locker rooms
- New fitness center
- New athletic training room
- New offices for athletic director and PE teachers
- New accessible restrooms
- New concessions stand
- Stage improvements – lighting, sound, technology, lift
- Updated mechanical and safety systems
- Existing gymnasium repurposed for Chapel services, music and performing arts programs.
