

# RACINE LUTHERAN HIGH SCHOOL

## **Christian Education Commitment Grant**

### **What Is It?**

The Christian Education Grant is assistance given to students of families who have shown a commitment to Christian education for their children. The grant is applied directly to tuition.

### **Who Is Eligible?**

Any non-Association family who has an 8<sup>th</sup> grade son or daughter in a Lutheran or other Christian school may apply. Please note that families of Association congregations already receive the Association member's grant, so they are not eligible for this program.

### **How Much Is the Grant?**

Grant awards are given based on how many consecutive years a student has been at a Lutheran or other Christian school. Grants will be based on years of continuous enrollment through the 8<sup>th</sup> grade. The student must remain in a Christian school through grade 8 to be eligible. The maximum grant is \$500 and will be given to students who have been at a Lutheran or Christian school for five consecutive years or more. The amount will decrease \$100 for each year less than five. Examples: a student enrolled since 4<sup>th</sup> grade would receive \$500, 5<sup>th</sup> grade \$400, etc.

### **How Do I Apply?**

Complete the application form (see other side of this sheet), have it signed by your school principal, and return it to Racine Lutheran High School. Applicants are encouraged to complete this application on or before **March 1**.

Please note that all other admission criteria must be met before the grant will be awarded. The grant will be void if the student leaves RLHS before the end of the year unless the student is transferring due to the family moving out of the area. It is also expected that the family will fulfill tuition obligations in a timely manner.

### **Is the Grant Renewable?**

Yes, the family is eligible to receive the grant in subsequent years if the student remains enrolled in good standing academically, he/she maintains a good discipline record, and the family is faithful in paying its portion of the tuition.
